

## BURN BUDDY

### SCOOP SHEET

### Shadow Buddies Foundation Mission Statement

The Shadow Buddies Foundation is dedicated to providing support and knowledge to children with severe illnesses and disabilities. The foundation accomplishes this through unique programs designed to enhance the lives of children and adults by fostering compassion and awareness of differences with our line of 26 condition-specific "Shadow Buddy" dolls. Crafted from muslin and carefully researched to represent a child's medical or emotional condition, Shadow Buddies offer seriously ill or medically challenged children the companionship of a friend "just like me".

#### #0219 - Buddy Specs:

- Buddy with gown and a roll of Kerlix® gauze.
- Buddy comes in light, medium and dark skin tones.
- Hair color is either blond (B), black (BL), or brown (BR).
- On medium and dark skin tone Buddies, hair is black. If hair color is not indicated with order, we will mix the order.
- Weighing approx. 10 oz., the buddies are 15" high and meet FDA requirements.

### Burn Buddy

The Burn Buddy offers children a positive opportunity to communicate fears and frustrations about what has happened to their bodies. This Shadow Buddy comes equipped with a roll of Kerlix® gauze so children can simulate dressing changes and play along with their doctor and nurse. Using the Buddy, healthcare professionals can effectively dispel fears and instill confidence through education and medical play therapy.

Just like the rest of our Buddies, the Burn Buddy is great to have and to hold. Individually packaged, each Buddy arrives with a brightly colored gown, heart-shaped-eyes for love, and a big smile. Shadow Buddies can go into procedures with a child and stay with them for a lifetime.
