Shadow Buddies Foundation Mission Statement

The Shadow Buddies Foundation is dedicated to providing support and knowledge to children with severe illnesses and disabilities. The foundation accomplishes this through unique programs designed to enhance the lives of children and adults by fostering compassion and awareness of differences with our line of 26 condition-specific "Shadow Buddy" dolls. Crafted from muslin and carefully researched to represent a child's medical or emotional condition, Shadow Buddies offer seriously ill or medically challenged children the companionship of a friend "just like me".
