Shadow Buddies Foundation Mission Statement

The Shadow Buddies Foundation is dedicated to providing support and knowledge to children with severe illnesses and disabilities. The foundation accomplishes this through unique programs designed to enhance the lives of children and adults by fostering compassion and awareness of differences with our line of 26 condition-specific "Shadow Buddy" dolls. Crafted from muslin and carefully researched to represent a child's medical or emotional condition, Shadow Buddies offer seriously ill or medically challenged children the companionship of a friend "just like me".

Guardian Angel Buddy

The Guardian Angel Buddy is a symbol of protection, comfort and represents the compassion needed for those dealing with medical problems.

Families that have medical challenges, face many concerns emotionally, financially and professionally. Siblings of a challenged child also have issues to deal with, such as being over protective, fear of what they don't understand, or jealousy of extra attention.

The Angel Buddy is designed to be more than a friend "just like me." Proceeds from this Buddy help fund the Shadow Buddies Foundation.

Each Guardian Angel Buddy arrives with angel wings and no medical condition represented. Individually packaged, Buddies are dressed in a brightly colored gown with heart shaped eyes and a big smile.
