Survivor/Breast Cancer Buddy

The Survivor Buddy offers women with breast cancer a special Buddy all their own. These Buddies are used not only to comfort women but also to educate their children, grandchildren, and family members about changes which will happen to their bodies.

The Survivor Buddy addresses both a right and left mastectomy. The gowns are a little more grown-up than the other Buddies, but their faces still have the trademark heart-shaped eyes for love and a big smile. This Buddy shows thinning hair from chemotherapy, a mastectomy scar, Hickman® catheter, and a scarf for its head. A big pink ribbon attached to the gown supports breast cancer awareness.
