SCOOP SHEET

Shadow Buddies Foundation Mission Statement

The Shadow Buddies Foundation is dedicated to providing support and knowledge to children with severe illnesses and disabilities. The foundation accomplishes this through unique programs designed to enhance the lives of children and adults by fostering compassion and awareness of differences with our line of 26 condition-specific "Shadow Buddy" dolls. Crafted from muslin and carefully researched to represent a child's medical or emotional condition, Shadow Buddies offer seriously ill or medically challenged children the companionship of a friend "just like me".

#9462 -

Buddy Specs:

- Buddy has a pediatric trach tube inserted on the neck.
- Buddy comes in light, medium and dark skin tones.
- Hair color is either Blond (B), Black (BL), or Brown (BR).
- On medium and dark skin tone Buddies, hair is black. If hair color is not indicated with order, we will mix the order.
- Weighing approx. 10 oz., the buddies are 15" high and meet FDA requirements.

Tracheostomy Buddy

The Tracheostomy Buddy is designed to be a friend "just like me" as well as a teaching tool. Doctors, nurses, child life professionals and others have used Shadow Buddies to dispel fears, educate, and comfort young patients through medical play therapy.

This Buddy has a pediatric Trach tube connector inserted on the neck. Individually packaged, each buddy arrives with a brightly colored gown, heart shaped eyes for love and a big smile. Yes, belly buttons are included! Shadow Buddies can go into procedures with a child and stay with them for a lifetime.
