

GIVE THE GIFT OF HELPING OTHERS THIS SEASON

Many kids dream of traveling to the North Pole to meet Santa. This year Shadow Buddies was selected to partner with United Airline's Fantasy Flight to help our Shadow Buddies' special kids enjoy miles of smiles at Christmas!

On December 8, a group of Shadow Buddy kids' age 2-18 will fly over Kansas City and land in Kansas City at a gate that has been transformed as the "North Pole". The winter wonderland is complete with presents for all and visits from sports mascots, professional athletes, face painters, clowns, and Santa himself.

Shadow Buddies is collecting presents for this monumental celebration. We need your help! Please consider a toy drive at your business or an online toy drive to help us extend the holiday cheer many of these youth would otherwise not receive.

TOY DRIVE

The toy drive can be done via donation boxes or barrels. Shadow Buddies can provide these or you can use your own collection bin. You do the toy drive and we'll pick up your donations. All donations will be picked up **November 28, 2018**.

AMAZON ORDERS

Order on **smile.amazon.com** and choose Shadow Buddies as your charity of choice. All orders go directly to Shadow Buddies with an extra percentage of all purchases donated going directly to Shadow Buddies.
