4th Annual Shadow Buddies Shoot-Out

A sporting clay event benefitting The Shadow Buddies Foundation

January 27, 2019

To our Shooters ...

On behalf of the Shadow Buddies Foundation™ and the kids we serve, we would like to invite you to the **4th Annual "Shoot for the Kids"**. This event promises to be a thrilling day, delivering a high quality, first class shoot in a superb setting located in Kansas City, Missouri.

The "Shoot for the Kids" will be held on **Thursday, April 25, 2019**, at the Saddle and Sirloin Club. We hope you will join us as we shoot clays and raise money for our Shadow Buddies **"Courage Capes—Capes for Kids"**.

The goal of our event is to raise \$30,000 that will allow us to support medically challenged children battling life-threatening conditions and going through various medical treatments. Our "Courage Capes" provide children with a child size Superhero cape and mask and allows them to do play therapy and be a hero! The 'Shoot for the Kids" Clay Shoot offers unparalleled sponsorship opportunities and is the perfect way to demonstrate your company's commitment to the communities in which you operate.

Enclosed is information regarding the mission of the Shadow Buddies Foundation as well as event sponsorship opportunities. Your generous support is vital to our continued success and growth, and will bring us closer to our goal of supporting 10,000 children here in our Kansas City community in 2019. We are honored to have our founding chairmen host this event for the fourth consecutive year, Greg Hellbusch with Axis Construction Group, and John Almeida with MedDevelopment.

We look forward to visiting with you about your company's involvement with our "Shoot for the Kids". Enclosed is our registration form and team information form for you to fill out and return to the Shadow Buddies Foundation.

See you on the course on April 25, 2019, as we celebrate the real "SUPERHEROES".
