

# Miles for Smiles 2021

April 20, 2021

Dear friends of Shadow Buddies,

We are honored and thrilled to share with you an opportunity that has been given to the Shadow Buddies Foundation. It will make a monumental impact for Shadow Buddies and we need your help! We have been selected as the Charity for the racing team - *The Little Pork Chop That Could* - who will be competing in the One Lap of America 2021 in a 2019 Carrera GTS Porsche.

We are asking our friends, family members, corporations, and individual supporters to pledge at least **1 penny per mile** (\$50.00 dollars) for this amazing event as Team Pork Chop drives "**Miles for Smiles**" in support of our specific Shadow Buddy® dolls. Our drivers, Scott Donaghue and Nick Wollenman, will be driving through 12 states and numerous racetracks, covering over 4,750 miles. The event has been moved to May 2021. Team Pork Chop will be posting their travels, sharing photos, videos and practice events leading up to the Official One Lap of America 2021 race. 100% of the money you pledge will go to the Shadow Buddies Foundation. The sky is the limit! We have medically challenged children that need our help and support and we are confident that we can achieve our goal!

Our mission of charity and hope is dedicated to providing support and knowledge to children with medical challenges and disabilities. The Shadow Buddies Foundation accomplishes this through unique programs designed to enhance the lives of children by fostering compassion and awareness of differences with our 31 condition-specific Shadow Buddies. Designed to be a friend, "just like me", our Shadow Buddies are a companion to thousands of children who are going through medical challenges and often feel isolated from their friends. Shadow Buddies provides emotional and psychological support for medically challenged children.

Please be a Hero today and support "Miles for Smile" 2021 with your pledge. Cheer Team Pork Chop on to a victory for thousands of medically challenged children. Every day is a new journey for these children and their families. We hope you will join us in cheering Team Pork Chop across the finish line and providing support for so many deserving children. Please go to [www.shadowbuddies.org](http://www.shadowbuddies.org) to make your pledge today that will allow us to deliver Shadow Buddies across the United States.
