

## GIVE THE GIFT OF HELPING OTHERS THIS SEASON

The spirit of the holidays is upon us and we are once again hosting our Shadow Buddies Foundation annual Toy Drive benefitting medically challenged children and other children in need here in our Kansas City communities. More than ever this year, we are in need of new toys for all ages and collecting donations beginning November 2<sup>nd</sup> through December 7<sup>th</sup>. We need your help and hope you will consider donating a toy or hosting a donation box in your office or store to help us collect toys for so many families in need.

The Shadow Buddies Foundation will be working hand-in-hand with the hospitals, physicians, Child Life Specialist and other non-profit organizations in our community to help keep everyone safe and healthy while delivering the toys. We want to spread the magic and brighten the lives of children this holiday season.
